

Our E-mail and Accounts Online services have become very popular with many of our customers. Here's a summary of what we can do for you:

1. E-mail copies of estimates, orders, invoices with signatures, and credits directly to you within minutes of each transaction.
2. Statements e-mailed to you immediately upon monthly account closing.
3. 24/7 Internet access to your account information with reprintable invoice and statement detail for the most recent 12 months of activity.
4. Invoices billed to your specific job list with statement breakdowns by job.

We are considering offering online bill payment and would appreciate your feedback. Please take a few moments to complete the bottom portion of this form.

Thank you for choosing Sticks & Stuff for your building, remodeling, and hardware needs!

Sincerely,
